## **SEND IN YOUR ORDERS NOW!!!!**

We have compiled a list of material of the most popular and best moving varieties of plants, bulbs and seeds, that are available for delivery now and in the near future.

We have made every effort to get you the lowest price for the best quality stock, and we feel you will be pleased with the material you receive.

**FOLIAGE PLANTS** bring the greatest return per square foot.

We can also supply Dahlia Tubers, Bulbs of Fancy Leaved Caladium, Gloxinias, Tuberous Rooted Begonias and other miscellaneous items used by every grower and retailer with growing facilities. Inquire for these.

Look this list over carefully, and let us have your order **NOW** for whatever stock you need immediately; also, your anticipated requirements.

### **SPECIAL NOTE**

We encourage the placing of orders for your anticipated yearly requirements to be shipped on a scheduled basis. This gives you an opportunity to increase your business by preventing your stock from being depleted of popular selling material. It is also an assurance of getting a supply of items regularly which are scarce and hard to get.

In our estimation, it is an essential and advantageous step in supplying the constant demand for —

## SPECIAL NOTE

We encourage the placing of orders for your anticipated yearly requirements to be shipped on a scheduled basis. This gives you an opportunity to increase your business by preventing your stock from being depleted of popular selling material. It is also an assurance of getting a supply of items regularly which are scarce and hard to get.

In our estimation, it is an essential and advantageous step in supplying the constant demand for —

### NOVELTY FOLIAGE PLANTS

and other plant material of this nature; since these are being featured by all interior decorators in the building and decorating pattern of every home or business structure.

We welcome the opportunity of discussing this with you.
